The Mysterious Case of the Missing Ring

Annual Play Workshop for Grades 3 - 5

Have a budding theatrical star? This is an amazing opportunity to bring out his/her inner actor!

Students work with professional theatre artists in a warm/safe school environment - a great way to expose your child to the wonders of theatre without having to drive there! Make friends, create memories, gain confidence and have a blast through this performance opportunity.

Let a professional Director from Adventure Theatre MTC guide your 3rd-5th grader in a theatrical experience that they will remember for the rest of their lives! The workshop explores the concepts of teamwork, auditioning, and acting, culminating in a professional play production that will be performed for classmates, family, and friends!

This program is only open to Wyngate ES students in grades 3-5.

Tuition is \$425 for the entire play production workshop!

TO REGISTER, please visit the Adventure Theatre Website – “AT YOUR SCHOOL” page.

The royal ring is missing, and the queen won't sleep until the royal detectives (all 13 of them!) find it. You've never met a more eclectic and eccentric group all in one play – including Maximum Smarts and Agent 98 with their Umbrella of Silence; Wiley Jones and his bumbling assist, Oliver, and Ms. Scarlet (who carries a candlestick and lead pipe in her purse but is ironically “clue”-less!), just to name a few! The detectives scour the Queendom in search of the royal ring as the chatty maids follow the harried queen around and the devious butler spouts suspiciously evil every time a clue goes awry.
